

Growing Together

Friday 28th September

*This week, I was very proud to hear that the kitchen staff commented that our children are very well mannered at lunchtimes. We always promote respect and good manners throughout school and we are delighted when someone comments about the excellent behaviour of the children Mrs Taylor.*

Morning Routines

Children are not allowed on the upper junior yard until 8.45am as traffic uses the yard and it is unsafe. The gate is locked at 8.45am. The teachers enter the yard at 8.50am and take responsibility for the children at 8.55am when the whistle is blown.

Growth Mindset

Throughout the school, growth mindset plays a big part in everything we do. We are always trying our best to solve problems and not give up when something proves difficult to complete.

European Languages Day

On Wednesday we took part in European Languages day! It was fab to see so many children dressed in blue, white and red! Across school children looked at different countries and designed posters. Lingotots were in school and carried out numerous workshops. They were very impressed with the attitude, behaviour and growth mindset of our children! A huge success!

Health and Safety Inspection

This week, we have had a health and safety inspection of school which was conducted by our health and safety Governor. Mr Freeman found that the school was meeting all the requirements and reported back a very successful inspection.

Reception Trip

On Tuesday 9th October the children will be visiting Gibside to help support their learning around Autumn. We will leave school at around 9.30am and return in time for home. The cost for the trip will be £3.70 to cover the costs of the transport to and from Gibside. Please send money in a clearly named envelope. As the children stay for a school lunch, a packed lunch will be provided. We are still looking for any volunteers to help us, please speak to a member of staff if you can help. More details to follow about clothing nearer the time.

E-Cadets

On Wednesday, Miss Alsop held an assembly in KS2. She was recruiting for this year's E-Cadets. The E-Cadets meet every Wednesday after school and learn all about staying safe online. They create tasks to take back to teach their own classes.

If you would like to become an E-Cadet, please complete the form and return it to Miss Alsop by **Monday 1st October**.

Beamish

Year 6 had a fantastic visit to Beamish yesterday. It was great to see them all dressed up as WW2 evacuees. They participated in a range of wartime activities to support their learning. Behaviour was outstanding.

Leanne Kemp Training

Today, a group of year four children have been working with Leanne Kemp to receive their School Sport Organising crew training. This is a new role given to some of our year four pupils which requires them to take a more active role in school sport. Their first challenge will be planning and delivering a sports festival for some of our younger children later in the term. We will let you know how they get on. Mrs Gray
