

Growing Together

Friday 7th September

Welcome back everyone! Also a very warm welcome to those children who are new to us this year. We have had a wonderful start to the new school year and the children have all settled well into their new classes. The children have shown us they are eager to learn and as always we have been planning an exciting and rich curriculum that will enhance their learning. Behaviour has been outstanding throughout school which has been a pleasure to see. Mrs Taylor.

Reminder about mobile phones

Only children in year 5 and 6 who walk home alone can bring a mobile phone to school for safety purposes, if parents feel it's required. The phones must be switched off once the children enter school and will be stored in a teacher's cupboard until the end of the day. the school does not accept any responsibility for loss/damage to the phones. If a child is found to have a phone which has not been handed into staff, a parent will be asked to come and collect the phone from the office. Thanks for your support in this safeguarding matter.

## Parental Consent for Images

**Dear Parent/carer**

This letter explains why we will need to ask for your consent before we are able to take photographs of your child during their time at Burnopfield Primary School.

Generally photographs are a source of pleasure and pride. We believe that the taking and use of photographs can enhance the self-esteem of children and their families and therefore is something to be welcomed and appreciated.

We may take photographs for a number of reasons whilst your child is with us, including:

- documenting and recording education activities
- recording their learning and development progress
- recording and celebrating special events and achievements

We will also encourage children to be active learners, and to become involved in using cameras themselves by taking photos of their surroundings, activities and of each other.

We do however recognise that with the increase use of technologies, particularly digitally and online, the potential for misuse has become greater and we understand that this can give rise to concern. We will therefore endeavour to put effective safeguards in place to protect children and young people by minimising risk.

We are mindful of the fact that some families may have reasons why protecting a child's identity is a matter of particular anxiety. If you have special circumstances either now or at any time in the future which would affect your position regarding consent, please let us know immediately in writing.

We have a specific policy regarding the use of images and also include the safe use of mobile phones and personal devices as part of our online safety policy, which you are welcome to view or take a copy of at any time. We will delete all images after three years.

To comply with the Data Protection Act 2018 and the new GDPR regulations, we need your permission before we can photograph or make any recordings of your child. If your child is old enough to express their own view, you may want to consult with them about categories of consent, and we invite you to use this letter to explore their feelings about being photographed at the setting.

Please read and complete the attached forms and do not hesitate to contact me should you have any queries.

Yours sincerely,

Mrs S. Taylor  
Head teacher.
