

Growing Together

Friday 16th November

This week the children have been exploring the topic of Respect as part of Anti Bullying week. The children have been talking about how we need to respect everyone no matter how different they may be. Children have taken part in various activities linked to the topic and have designed their own odd socks to highlight the need for respect throughout school and our home lives. Mrs Taylor

Message Board

Sponsored Read

From Monday to Sunday next week, we are holding a sponsored read to help raise funds to buy books for the school library. A letter has been sent home this week with more details and a sponsor form. Thanks for your support.

Parent's Evening

A reminder that parent's evening is on Tuesday 20th November. Infant staff will be in the infant hall and Junior staff in the junior hall for your appointments and books will be in the classrooms for you to look at. Please note that Miss Bingley will be in the Junior hall for her appointments. Please enter both building via the front doors and not through side doors. Thank you.

Play Care

Play care would like to thank everyone who supported our Christmas fayre. We raised a total of £480. Thank you

History Day

A huge thank you to Miss Bingley for organising our History day. The children enjoyed learning about and making poppies for the WW1 100 Years celebrations. The front of school looked amazing with our tribute to all the service men and women who fought for our country.

Book Fair

On Tuesday 20th November there will be a Usborne Book Fair in school. There will be a selection of books to look at and orders can be placed and paid for then delivered at a later date. The fair will be open during Parent's evening for parents to access and in school from 1pm. Classes will visit the fair during the afternoon, so children can bring money on that day or parents can buy the books themselves during the evening. There will be lots of lovely books that would make great Christmas presents. School will receive a percentage of the sales to spend on books for the school library.

Children in Need

All of our children have had a wonderful day in aid of children in need. They all looked fantastic dressed in their spots and have carried out various Pudsey related activities. Thank you for all your kind donations and we will update you on a final amount in the future.

Key Stage 2

A reminder for parents that no children should be left unsupervised in the yards on a morning and children should not be on the yards at 8.30am. Teachers will be on the yards at 8.50 am ready for the bell at 8.55 am. Thank you for your support in this safeguarding matter.

Twitter

Please check out our school Twitter feed as it shows all of the exciting and interesting learning experiences our children have. It is regularly updated by staff and really shows how lucky our children are in Burnopfield. You can find the link on our school website and at the bottom of the Friday letter.

tweet of the week

@Burnopfield_sch

So come with me, where dreams are born and time is never planned ✨ ✨
Morning Nursery have been extra creative today! #takemetoneverland

Cinema Visits

Our children have really enjoyed visiting various cinemas during the Into Film festival. The children have seen a range of films and will be using the films in their work over the next few weeks. Behaviour of the children has been outstanding and the children should be proud of themselves. Keep a look out on Twitter for the work linked to your child's visit.

Keep in Touch
