

Growing Together

Friday 11th January

Happy New Year everyone! Thank you for the lovely emails many of you have sent us regarding our Ofsted report. They were shared with staff and really appreciated! The children have started the term happy, settled and ready to learn and are looking forward to their new topics. Mrs Taylor

Thank you for your support in this safeguarding matter.</p>
<p>Head lice</p> <p>Please can parents check your child/ren's hair regularly for head lice as we have had a few cases in school. Thanks</p>	<p>This was lovely to hear and really shows the importance of why we took the challenge. The challenge still continues and we would love to see your photos of your walks. Email them to happyfeet@burnopfieldschool.co.uk</p>	<p>Lock down Procedure</p> <p>As you maybe aware, schools are encouraged to have an emergency "Lock Down Procedure". This is where staff and children would assemble in a safe place in school if there was an incident on the school grounds or in the village e.g. a dangerous animal roaming. We have taken advice from the LA to come up with our procedure and will practise this with the children next week.</p>
<p>Boiler Update</p> <p>Thank you for your patience and understanding regarding the burst pipe in KS2. The LA have assured us that we are on the list for a new heating system in May 2019. Hopefully it will not happen again before then. You have probably noticed we have had a generator installed which will allow us to use temporary heating across the KS 2 building if another problem occurs. We look forward to a new heating system this year!</p>	<p>This week in school Miss Bingley's class took part in a "wake up" walk in their pyjamas. If your child is needing a new form please ask class teacher for a new one. Thank you for taking part in the challenge.</p>	<p>Walk in the Plantation</p> <p>Miss Peacock's class will be going for a walk around the Plantation on Tuesday afternoon 15th January as part of their walking challenge. Please can children bring wellies /boots to change into and warm waterproof coats.</p>
<p>Panto</p> <p>We have received a lovely comment from the panto cast that praised the excellent behaviour and manners of our children during our visit. Well done children!</p>	<p>Year 5</p> <p>This week Year 5 used artefacts to make inferences about our intriguing new book: The Girl of Ink and Stars and were delighted when our Tweet was retweeted by the author: Kiran Millwood Hargrave! How exciting! Let's see how many more we can get! Mrs Errington</p>	<p>Year 4 Swimming</p> <p>Year 4 were due to start their swimming lessons next week, however due to circumstances beyond our control this has been delayed for a couple of weeks at the least. We will keep you informed about when lessons will start. Thank you Mrs Gray and Miss Alsop</p>
<p>Play Care</p> <p>Welcome back everyone and we hope you all had a good break. Jodie has started her maternity leave and will be back in September. We wish her all the best at this exciting time. Kirstie is back cover to her absence.</p>	<p>Miss Peacock and Miss Bingley Year 2 Science</p> <p>This term our Science topic is "Animals including Humans". We have looked at the stages in human growth and how we change. We would like to make a display in our classes to reflect this work. We therefore would like, if possible, a photograph of your child as a baby and the weight they were born. The photographs will be photocopied to be stuck on our displays and the original photos returned.</p>
