

Growing Together

Friday 10th May

Head Teachers Message: We have had another busy week in school and so many lovely things are going on in the classrooms. I have seen some amazing IT work, where children have been creating their own movies in the Forest School! Our Happy Feet path is now open and the children have been walking around it every day to reach their mile a day! Best of luck to our Year 6 who are taking their SATS next week. They have worked so hard this year and have had such a positive Growth Mindset. They all deserve to be successful!

School Fair

The fair will be held on Friday 24th May between 1.30 and 3pm. Thank you for your donations and we are still collecting. Thank you.

Mini Police

The Mini Police visited the control room at Durham Police Headquarters in Aykley Heads. We were shown around by the Police Youth Development Officers.

They commented on how well the children behaved and how respectful they were whilst being shown around the very busy unit. The children experienced being a call handler and listened to 999 and non emergency 101 calls through headsets. I was very proud of the whole group especially when they were asking some quite challenging and interesting questions. We look forward to learning more about the Police and sharing the information with the rest of the school and the community.

Mrs Daghish.

Art event

Thank you to all of the parents and carers who attended our art event in year four yesterday. All of the children had a wonderful afternoon and created some wonderful works of art including 3D pyramids, painted canopic jars and colourful mummies. Miss Alsop and Mrs Gray

online for parents to view. In order to promote attendance and punctuality, the school gives out a weekly certificate for the class with the best attendance and Freddy the attendance bear in Key Stage 1. That class will earn themselves an extra playtime. Any class with 100% attendance that week will earn themselves a special treat to be decided by the class teacher e.g. a DVD afternoon. Please visit our website for more information. If you need help with attendance, it is important that you talk to the school about the issues as soon as possible. You may need to attend a meeting in school to talk about the problems and to put a plan in place to help. Sometimes, school may need to involve other services to help. Our attendance officer is Lesley Saybourne and she works on a Monday afternoon and can be contacted through the office.
