

Growing Together

Friday 7th June

Head Teachers Message: Another busy week and very challenging within school with the heating system being replaced in the Junior Building. Although many of the children are being taught in different classrooms or in the hall, I am very proud of how well they have coped. Their behaviour has been excellent and have shown fantastic respect for the areas that are out of bounds and to the builders on site. They are a credit to the school and the disruption has had no impact on their teaching and learning. Staff are being very flexible and adaptable and we will all be pleased when the works are complete in the Autumn Term ready for next Winter!

Message Board

Play Care

Burnopfield Play care will be open on Friday 21st June due to school being closed for an Inset day. For full day childcare or more information please contact Margaret Little on 07914780804.

Year 2 Trip

On Wednesday morning Year 2 visited Greenland Primary School for a Sports Festival. The children showed fabulous football skills and great growth mind set to keep trying at every challenge. Their behaviour and manners were excellent. Well done all of Year 2!

Reception Parent Event

Thank you to all the parents that attended our event. The children thoroughly enjoyed spending time with you in the school environment. The map and plans they have made will help support the teaching we are going to be doing over the next few weeks.

Sponsored Event.

This year, we have linked our sponsored event to our school walking award. On Friday 28th June, we will be going to Gibside to complete a sponsored walk. More details will follow nearer the time, but for now, please start to collect as many sponsors as you can! All of the money raised from this event will go directly to school fund and we appreciate all donations of any size. Please keep the sponsor form at home until after the event and then send the form and the money back to school in a sealed envelope. Thank you

Trees

We have been informed that some newly planted trees have been vandalised in the village, near the bowling green by a group of children. We are not sure whether or not any of our children have been involved. Can you please speak to your children about respecting our village. This will help support our teaching of our "Expect Respect" agenda.

Year 5 swimming.

We would just like to pass on our apologies to year 5 children and parents regarding the swimming lessons this term. We understand that it has been very frustrating to have so many lessons cancelled and unfortunately it has been totally out of our control. Please be assured that we are trying to deal with the situation and we will keep you informed if year 5 are to have any more lessons.

Thank you

Pentecost Celebration Service

On Sunday 9th June there will be a special service held at St James Church at 10.45 am. All are welcome to attend.

Leaving the School Premises

Please can we remind parents not to let your child/ren touch and use any equipment that is around the school, this includes resources that are in the Reception outdoor area. Staff have to carryout health and safety checks on equipment before children can use it and are finding more and more broken or missing pieces of equipment.

Educate and Celebrate

In celebration of pride month, today we have been raising awareness and leading our children in a range of activities to celebrate diversity, challenge stereotypes and inspiring our children to think critically about how we engage with differences.

Keep in Touch
