

Growing Together

Head Teachers Message: On Tuesday our SAT results arrived for our Year 6 children. I am absolutely delighted with the progress they have made in school. Their results show how hard these children have worked and are evidence of the outstanding teaching in Year 6 and the outstanding teaching they have had in our school. We are so proud of all of them all!

Health and Fitness Week

This week we have enjoyed possibly the wettest health and fitness week we have had for years! Even through all of the disruptions, we have managed to enjoy some wonderful activities and children and staff have been fantastic. All children across school have taken part in different activities which have included yoga, boxing, taekwondo, walking, rounders and football. We have also had lots of science being taught throughout the school and children have been learning about the digestive system, healthy eating, teeth and how our bodies grow. Check out our twitter page to see the exciting activities that have been taking place.

Bottle Tops

We will be continuing to save the coloured bottle tops until the end of term and over the holidays for an exciting main entrance display which will be created during the first week back after the holidays. Please send any bottle tops into school with your child. Thank you.
