

Inspire, Challenge and Care

Thursday 5th December

Head Teacher's Message: I have spent some time this week with Mrs Thompson observing the high quality phonics being taught in Year One. In Key Stage Two we have been looking at the English books with the children and talking about their progress from when they left their last class to now. Our children have really shown Growth Mindset, lived up to the teacher's high expectations, risen to the challenges and made amazing progress! Mrs Taylor
