

Growing Together

Friday 14th February

We have had a very busy and productive week. Our Safer Internet/Computing day on Tuesday was a fantastic success which saw all of our children engaged in exciting activities across school. Take a look at our Twitter page for a flavour of the day. The Friendship disco on Thursday night was a lovely way for us to end the term and all of our children have had a wonderful time at our Golden Time events this afternoon. Happy half term everyone!

Message Board

Proud Teacher Award

Mrs Thompson/Mrs Broomhall — Sam J in CT6 for scoring full marks on his reading comprehension paper. 50 out of 50! Amazing work! Sam shared the secrets to his success with his classmates. Also Ella Atkins for showing a superb attitude towards her work.

Mr Robertshaw — I am proud of Jessica for making massive improvements in her maths.

Mrs Gray — I am proud of all of my class for completing their tests with a great attitude this week. However I must give another special mention to Lexi who has worked so hard during our afternoon sessions this week!

Mrs Marley — I am always very proud of Alys for the wonderful effort she puts into every single lesson at school. Her work is always well presented and completed to the best of her ability.

Mr Gray — I'm proud of all my class this week for their fantastic growth mindset whilst completing their assessments. I'm also proud of Lucas for great use of four figure grid references in geography this week.

Miss Alsop — I am incredibly proud of RA4 this week for working so hard during their assessments. Well done!

Mr Gibson - I am proud of my whole class for working real hard during assessment week. It's not easy, but they did it!

Mrs Gardener—I can't possibly choose an individual for my proud teacher moment as all of my class have shown outstanding effort and growth mindset this week when tackling assessments. I am one proud teacher and I am so proud of you all!

Miss Peacock — I am proud of Rory for excellent attitude and trying his best all week.

Mrs Matthews — Well done to all of my children this week for showing some fantastic growth mindset whilst completing a range of tasks. I am proud of the effort you have put in.

Miss Oxnard — I am so proud of class HO1 this week. They have done some amazing independent writing and I couldn't be happier with how hard they have worked. Well done team!

Miss Bingley— I am proud of Jack for producing amazing independent writing that made me smile.

Miss Farries— This week I have been extremely proud of William for showing his Growth Mindset in PE, especially doing some tricky Gymnastics jumps and balances. He never gave up and tried his very best! Well done William!

Mrs Carson— Jensen has made me (and his mum) very proud this week for coming into school with a smile on his face. Well done! Keep up the good work.

Mrs Ferris— We are very proud of all the Nursery children who have been working hard to develop their Makaton signs. Everyone is now signing our hello and goodbye songs and are developing a wide range of signs. Well done everyone. Keep up the good work!

KS2 Golden Time

We turned the KS2 hall into a cinema for our golden time for this half-term. We all made pick 'n' mix and came together for a relaxing end to the half-term.

KS1 Golden Time

All of the children had a fantastic time working together to play their board games. They showed brilliant growth mindset and showed how well they work in teams to solve problems that occurred. Well done to everyone for your outstanding behaviour this half term.

Friendship Disco

Thank you for your support with our friendship disco, especially our 12 parent volunteers. We would also like to thank The Home Bakery and the CO-OP for their very kind donations and continued support. Money to be counted but we have raised in excess of £450.

Messy Church

The Messy church theme this month will be the Creation Story. We look forward to seeing you on the 16th at 3.00 pm for the usual feast of Crafts, Celebration and Tea.

Computing Day

Computing Day was a huge success this year. We took part in a carousel of activities around school, including photoshopping and app design. A special thank you to Jeff Wilson and the team from Consett Academy who enriched our experiences with microbit buggies and drones!

Year 2 Trip

On Monday 9th March, Year 2 will be visiting the Great North Museum in Newcastle to help support our science topic of Animals and their Habitats. This will be an all day trip and more details to follow. The cost of the trip to cover the transport will be £6.25. Please send any money into school in a named envelope. Thank you.

We hope you all have a lovely half term break and school will reopen on Monday 24th February.

Keep in Touch
