

Growing Together

Friday 13th March

We have had another wonderful week of learning at school and I have really enjoyed seeing what is going on in our classrooms each day. Today we have a very important visitor, Richard Crane, Director of Education and skills for Co. Durham. He was really impressed with the school environment, the curriculum and the behaviour of the children. Some children had an opportunity to talk to him and tell him all about what goes on in our school. Well done Team Burnopfield! R Brunton Acting Head Teacher.

Year 2 Trip

On Monday Year 2 visited the Great North Museum in Newcastle. They had a fantastic time learning about different animals and the habitats they live in. The children were able to look at the different galleries and exhibitions the museum has on show and could ask a lot of interesting questions. We are really proud of the behaviour the children displayed and the staff commented on the knowledge that the children already had before the workshops. Well done Year 2!!
