COVID 19 Update -20th March 2020

Dear Parents/Carers,

This letter is written with very mixed emotions and replaces the Friday letter for the week .

Although it has been a very strange week in school , we would like to take this opportunity to thank parents , pupils and the staff for remaining calm and understanding of the pressure we have all faced . Things have changed so rapidly throughout the week and advice has been updated and withdrawn several times . We have tried to keep you up to date the best we can and we hope that yesterday's letter offered you some clarity on what we currently know ourselves . We have had some lovely messages of support from our parents and we really do appreciate the time you have taken to send these .

We hope that the children can continue to do some learning at home, but also take the time to reflect and relax . We have attached some advice from Emma Jenkins , our Relax Kids coach on helping your child deal with the unprecedented time .

For those who qualify ,our childcare offer will be sent to you tonight and we look forward to welcoming those children back next week .

Thank You once again for your support throughout this situation and we hope to see you all again very soon . We are proud to be leading Team Burnopfield .

Kind Regards,

Mrs Rebecca Brunton and Mrs Catherine Thompson
